Introduce the show, leading to what Mr. Bixby thinks is his favorite thing in SFe right now.

It's *Santa Fe Bites!*

With our special guest, real estate mogul **Tai Bixby**, whose favorite thing in Santa Fe right now is?

Here Mr. Bixby will give his response [I've included an example]:

I actually think that *Zozobra* is the best thing about Santa Fe.

Then you can have a short interaction about that:

COLE: Really? I'm sort of afraid of him.

BIXBY: Oh no, I love it. It's a thing I've always done with my family. I think it's the best.

COLE: Interesting.
